**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a humble consumer who says NO to price hikes that will increase the cost of internet and telephone services. We only have a few providers and are left with very little choice for good broadband/fiber access when other parts of the world are zipping past us. Despite being in a large metropolitan area (an expensive one at that), we still have slow speeds due to outdated lines.
